

# The Bible Secret of Financial Success

**This teaching will make you rich, if you absorb its message and follow its simple instructions.**

Jesus said in Luke chapter 4 verse 18, “The Spirit of the LORD is upon me because he has anointed me to preach good news to the poor.” This is the message of this article. If you are poor, there is good news for you! Or let me put it this way: **If you need more money, I can show you a Bible secret which will make you rich.** Notice I didn’t say *can* make you rich. This secret is guaranteed to work for anyone, anywhere, at any time - if they will only take the time to follow the instructions. There is no surer way to prosper and become rich than what you are about to read. My advice is: read this teaching over and over until you absorb its life-changing message.

You need to understand that **God wants you rich.** Wealth and success is God’s stated will for you. Jesus

experienced poverty on the cross so that you could be rich (2 Corinthians 8:9). The blessing of God makes you rich (Proverbs 10:22). Wealth and riches are supposed to be in your house as a result of knowing God (Psalm 112:1-3). Look these verses up in a Bible. If you are thinking, “But doesn’t the Bible say that money is the root of all evil?” then the answer is: no, it doesn’t! The Bible says that the *love of money* is the root of all evil (1 Timothy 6:10). It is right and fitting that you should desire to prosper for yourself, your family and your community. This is a God-given and God-blessed desire. But you shouldn’t be “money-mad” is all.

There is a Bible secret to getting wealth which has been practised by financiers and business titans to build enormous fortunes. The secret is very simple. By the time you read this article, you will know it! Nothing will prevent you from using this secret to achieve greater success and obtain far more wealth than you ever dreamed. The only requirement is that you be diligent in applying it. Are you ready to learn the secret that will change your life? Ok, here goes...

The secret to unlimited wealth and success is **meditation**. Not the sitting-with-your-legs-crossed, blanking-your-mind type of mediation which you associate with yoga and Eastern religions. I am talking about **Bible meditation**. Bible meditation consists of you doing one very simple thing, which, if you do it, will so dramatically change your life you will be astounded at the results. That simple thing is this: **You speak Bible verses over and over to yourself**. That’s

it! That's the secret! I told you it was simple. Now, let me say this to you: *do not make the big mistake if saying it is too simple and just walk away.* That could be the costliest mistake you ever make.

Now, let me explain how Bible meditation works. In Joshua 1:8, God told Joshua: *"This Book of the Law (i.e. God's Word - the Bible) shall not depart from your mouth, but you shall meditate in it day and night, that you may observe to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success."* Would you like to make your way prosperous and have good success? Then here's how! Just meditate God's Word. The word "meditate" used here has a primarily vocal context. It doesn't mean just *think* about God's Word but to speak it or mutter it over and over. Meditating God's Word is the key to financial success. Many famous business giants of the past knew and applied this secret to build massive fortunes and huge business empires. People are using the secret today, with the same wonderful results.

You can apply this secret in your own life to prosper and be successful. Bible meditation is something you can do anytime, anywhere. All you have to do is take verses of the Bible that relate to finances - some are given further on - and just speak them over and over, **and the power of God in those verses will bring it to pass in your life!** That is how it works! The more you practise this, the greater results you will have. Now, I want to interject a word of caution here. Firstly, you

can't operate this system to its best potential if your motives are all wrong. As I said above, you can't be "money-mad" or obsessed with money. Secondly, the system is guaranteed to work but you may have to give it time. For some, results will come instantly and dramatically. For others, they may prosper more gradually. The key is: **Be diligent**. Keep doing it until it works. A lot has to do with **desire** and **intensity**. If you are not really bothered, then you may not see results so fast.

Remember, Jesus said He came to preach **GOOD NEWS** to the poor. That good news is: You don't have to be poor anymore! Poverty is an enemy of God. When you practise Bible meditation, you are absorbing God's power into yourself. That power will drive poverty out and energise you with prosperity, success and wealth-accumulating ability. The Bible says that "*Faith is the SUBSTANCE of things hoped for, the evidence of things not seen*" (Hebrews 11:1). Faith is a heavenly substance that will get on the inside of you and change your life for the better. How can this happen for you? Faith, the heavenly substance, comes by hearing the Word of God (see Romans 10:17). In other words, by you speaking that Word over and over to yourself.

Something you need to realise is that this system doesn't just work in the area of financial success; it works in every area of life. For example, Bible meditation will also heal you of sickness. If you continually peak Bible verses relating to health and

healing, the power of God in those verses will drive sickness out of your body. This is because God's Word contains the power in itself to accomplish what it says. Proverbs 4:2-22 says that meditating God's Word is life and healing to all our flesh. The Hebrew word used here means "medicine." Meditating Bible verses on healing is like taking medicine. Medicine is designed to be taken regularly - until all symptoms disappear! God's Word has the same effect. The same system can be used in other areas - family life, breaking bad habits etc. If you speak God's Word over and over relating to these issues, you will see marked improvement. Psalm 1 verses 1 to 3 tells us that the person who meditates God's Word becomes "*like a tree planted the rivers of water*" and that whatever he does prospers!

Now, I realise you might be reading this with a sceptical mind. You might not even believe the Bible. All I am saying is: Give it a try. You have nothing to lose by putting this principle into practice. And remember - faith comes! It comes to those who hear God's Word over and over. The results you see will convince you. And you will see those results because you are convinced! This system really works. It works because it is God's system.

So, let's now put the system into practice. Below are some Bible verses to get you started. Needless to say, it would benefit you greatly to get your own copy of the Bible and start looking for verses that relate to

financial success, or anything else you would like to change in your life.
